

§ 200.46

34 CFR Ch. II (7–1–05 Edition)

(2) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement status for two or more consecutive school years or subject to corrective action on January 7, 2002, the State must ensure that the LEA makes available, consistent with paragraph (d) of this section, supplemental educational services to all eligible students not later than the first day of the 2002–2003 school year.

(3) The LEA must, consistent with § 200.48, continue to make available supplemental educational services to eligible students until the end of the school year in which the LEA is making those services available.

(4)(i) At the request of an LEA, the SEA may waive, in whole or in part, the requirement that the LEA make available supplemental educational services if the SEA determines that—

(A) None of the providers of those services on the list approved by the SEA under § 200.47 makes those services available in the area served by the LEA or within a reasonable distance of that area; and

(B) The LEA provides evidence that it is not otherwise able to make those services available.

(ii) The SEA must notify the LEA, within 30 days of receiving the LEA's request for a waiver under paragraph (c)(4)(i) of this section, whether it approves or disapproves the request and, if it disapproves, the reasons for the disapproval, in writing.

(iii) An LEA that receives a waiver must renew its request for that waiver on an annual basis.

(d) *Priority.* If the amount of funds available for supplemental educational services is insufficient to provide services to each student whose parents request these services, the LEA must give priority to the lowest-achieving students.

(iv) Specify how the LEA will pay the provider; and

(v) Prohibit the provider from disclosing to the public, without the written permission of the student's parents, the identity of any student who is

eligible for, or receiving, supplemental educational services.

(3) In the case of a student with disabilities under IDEA or a student covered under Section 504, the provisions of the agreement referred to in paragraph (b)(2)(i) of this section must be consistent with the student's individualized education program under section 614(d) of the IDEA or the student's individualized services under Section 504.

(4) The LEA may not pay the provider for religious worship or instruction.

(c) If State law prohibits an SEA from carrying out one or more of its responsibilities under §200.47 with respect to those who provide, or seek approval to provide, supplemental educational services, each LEA must carry out those responsibilities with respect to its students who are eligible for those services.
